LEWIS KELLY  
communications

What's  
YOUR  
message?

## Lewis Kelly Communications (LKC)

expertly crafts communication packages for small businesses and nonprofit organizations. From print materials, such as ID brochures, annual reports, newsletters and direct mail campaigns to graphic services including Web sites and advertising, LKC is a comprehensive communication service provider with a custom edge. Whatever your resources, LKC will help you deliver and realize your communications goals.

## The key to communications success

Unlocking the secrets and treasures of successful communications is LKC's specialty. By providing dedicated services with stylized results, LKC will open the communications door for you. Concentrated, flexible attention is what you need— and what LKC offers — when it comes to making your message heard.

## Communications services

An effective campaign will lead clients to your organization. LKC has the talent to provide all the services you need to create your communications package. Whether you want to develop multiple complementary vehicles or you have existing materials in need of a facelift, LKC will hand you the key to communications success.

Jill Lewis-Kelly has worked in communications for over twenty years. She has worked extensively in both the for-profit and nonprofit sectors in a variety of roles. Working as a managing editor, Webmaster, graphic designer and writer, among other roles, she has advised numerous companies on communications strategies.
